“Walking together, experiencing and sharing God’s love.”

JULY 2021

From the Pastor

Dear Broadmoor Community,

After much anticipation, many hours of troubleshooting, and a whole lot of prayer we had our first hybrid worship service. Some folks gathered in the sanctuary with their masks, and others gathered in the zoom room with their slippers! It was a joyful celebration as we gathered together on holy ground. Looking back over the last couple months and weeks I want to recognize a few folks who have been there earlier morning and late nights helping the process move forward. A big thank you to Rich Murray and Eric John Gravem for their continued support with manual labor and installation. Thank you to Martha who continues to serve as the administrative assistant while internet providers are shifting below her. Thank you to Janet, Evelyn and our choir members who continue to provide worship music. And a big thank you to our Session for their leadership and trust through this process. There is more to come as we continue to make improvements and upgrades.

Looking forward, this summer we will start our Worship Series on *Divine Rest*. Looking at various stories in the bible that reveal the importance of rest. Hebrews 4:9-10 will guide our series:

“So then, a sabbath rest still remains for the people of God; for those who enter God’s rest also cease from their labors as God did from God’s own.”

We will look at ways rest can provide healing and comfort. We will also explore rest as a form of social justice and as a means to help our friends, family, neighbors and strangers.

Join us this summer online or in person as we rest together in worship and meditation.

Peace be with you,

Andrew Quick

Session

Session met virtually in a Regular (Stated) meeting on June 17, 2021, with the Rev. Karen Thistlethwaite as Guest Moderator. The following motions took place, approved unanimously:

- To give renters Ministerios Celebracion and Living Stone Ministries the opportunity to use BPC's Comcast Internet connection at an additional cost of \$100 per month until the end of the year.
- As a stained-glass window in the sanctuary was broken, this motion: If and when the estimate for the window repair is received, should it exceed B&G's limit of \$500.00, Session may approve any additional cost via email or phone conversation within a 24-hour period so that the window installation may be expedited.

If you have any questions concerning these proceedings, please contact an elder.

– Respectfully submitted, Marian Hardin, Clerk of Session

Building & Grounds

The Building and Grounds team met on 6/13/21. Dennis mounted a plaque dedicating the door from the lower parking lot to Russ Brabec.

Dennis also repaired the rust on the electrical panel box and cleaned up the low voltage wiring on the side of the building by the church office. Rich picked up the TV's and mounts for hybrid service and removed the weeds from the grounds. Thanks Dennis and Rich. A new wireless access point was installed in the Narthex to facilitate hybrid service.

Celebrating Janet's 40th Anniversary!

"Make a joyful sound unto the Lord, come into His presence with thanksgiving!"

Make a joyful sound is just what Janet Haddox has been inspiring us to do at Broadmoor for the past 40 years! Think of it – what an extraordinary

accomplishment! Congratulations, Janet.

Initially, Janet sang in the chancel choir before being chosen as Broadmoor's choir director. Early in those years, she gave birth to her two

talented sons, Jonathan and Matthew. Ever since those days, Janet and the choir have taken the month of August off on “maternity leave.” Even so, during those choral absences, Janet would arrange for special music -- solos, duets, quartets – to replace the anthem, and would rehearse separately with those singers. Some special music would include inviting Mike McGinley and Carl Noelke, as well as Roy Oakley and David Dobrenin.

Long ago, Janet organized and directed a junior choir, as well as chancel choir. Her boys sang in the junior choir, as well as the Hartanto, Armfield and Soriano children. Some of the youth would be invited to sing with the chancel choir during the holidays. Janet once invited the junior choir to her home to make gingerbread houses for the holidays. She also arranged for the chancel choir to sing at other venues, with other choirs, and with an orchestra. Janet knew Roy and Lynn Oakley when they were students together at SFSU. She was the liaison in bringing the Villa Sinfonia for concert performances at Broadmoor, bringing quality music to the community at large.

Janet provided piano tunings supplementing the scheduled ones for Broadmoor’s grand piano. We learned about this piano in an earlier Broadcaster issue and it was thus that the church and Janet were able to obtain it. Being an accomplished pianist, she would work on and perform solo works for her student recitals and for Broadmoor concerts. Janet began teaching when she was thirteen; her piano instructor would give her the difficult students to teach. She was able to do well with them; that is why she is such a successful teacher. She has run the

Certificate of Merit Program for the Golden Gate branch of the Music Teachers Association for two decades. Janet has hosted innumerable recitals for her large, private studio, taught music and theory in several schools, and she was a Yamaha music instructor from the early 1970s through the late 1980s.

Multitalented, Janet has been a piano teacher/technician, a master griller (Choir’s 4th of July BBQ), superb baker (some of us remember Jonathan and Fumiki’s wedding reception and the beautiful cakes), seamstress (check out the purple paraments in the church that Janet sewed and embroidered), crafter (includes needlepoint, embroidery, knitting, and crocheting), builder/carpenter (her father gave her his tools), and creative designer (decorates the sanctuary for holidays!). Janet and Ray created the innovative wire system to lift special displays in front of the cross beneath the round stained-glass window. Janet instigated the idea of the plexiglass in front of the window behind the grand piano that cuts down the draft and was very involved in the redesign of the steps and handrail in the sanctuary.

Honorable mention to two of her colleagues: her husband, Ray, and the church pianist, Evelyn Masuda, for their faithful support.

When Covid-19 first appeared, Janet considered it might be a signal to retire as music director. But quite the opposite! She readily plunged into the technological demands of providing music for the Zoom services and continues her music ministry every Sunday morning for the new hybrid services. Think of this! Under Janet’s leadership, the choir sang an anthem every Sunday for 11 months of the year,

plus an annual Christmas concert. What a feat – for 40 years! Our admiration, applause and congratulations!

– Respectfully submitted by those who love and appreciate Janet Haddox, our Music Director

Faith Formation

The team met on June 20th on Zoom after worship. Seven church members participated in reading “The Invention of Wings” by Sue Monk Kidd. We read and discussed the book in four parts. It was a great read. Anyone is welcome to request this book to give it a read, contact the church office or a Faith Formation team member. We are planning a book exchange in the Fall, so save your books! Our next meeting will be on Sunday, August 15th. Have a great summer everyone!

Mission Ministry

When we last met on May 23rd, we were happy to announce that the SF Presbytery approved another \$500 Food Ministry Grant for the Pilipino Bayanihan Resource Center (PBRC). We collected \$250 for the Pentecost Special Offerings, where 40% will be sent to our Mission partner Puente de la Costa Sur.

Puente has kicked off their Back-to-School Backpack Fundraising event and ends July 31, 2021. And because of the pandemic, things are being done a little differently this year. They will be providing \$100 gift cards for school supplies to 240 students in the La Honda-Pescadero Unified School District. Donations can be sent to the church office with Puente in the memo line or donate directly to Puente, PO Box 554, Pescadero, CA 94060. Please see the attached flyer.

Presbyterian Women

Covered by Christ, we become enough. Together, we become enough. In God’s love and grace, we become enough. Because it’s not what you do, it’s who loves you that counts.

Before you woke up this morning, before you did anything, you - with God's love - were enough. And at the end of this day, in all that you have done or left undone, all your mistakes . . . even if you did nothing at all or made a total mess, you will be enough. Because God loves you. Because God is with you. Because the one who is enough - Christ Jesus - covers you. Amen.

Inspiration

To be fully human, fully myself,
To accept all that I am, all that you envision,
This is my prayer.
Walk with me out to the rim of life,
Beyond security.
Take me to the exquisite edge of courage
And release me to become.
