"Walking together, experiencing and sharing God's love."

APRIL 2023

From the Pastor

Most of you know I did not grow up in the church. I attended worship and Sunday School sporadically with a childhood friend, but never really grasped the importance of the community of faith. It was not until my early thirties that I found my way into a faith community, and it was like coming home for the first time. I am thankful for the invitation from my friend Donna which opened the door for this newness of life.

Being new in the church, I did not know much about worship, communion, or the Holy Days of the Church. I remember so well my first Maundy Thursday worship experience. During communion, we were invited to gather around the table to eat the bread and drink the cup. What a gracious moment of standing there with new friends remembering another meal that Jesus shared with his friends so long ago.

While in seminary, I experienced another powerful moment during Holy Week when the Black Student Council at Union Theological Seminary included a foot washing as part of the service. This was a poignant moment since the seminary was in the heart of Richmond where evidence of racism was familiar.

This Holy Week at Broadmoor, we will gather on Good Friday for a service of prayer stations. We will meet at 5:00 pm in Tweedie Hall. You will be invited to move at your own pace through the prayer stations, which include handwashing, anointing, a prayer garden, and a seder meal. We will conclude our service by sharing the Lord's Supper around the table.

Holy Week is a time for us to pause and reflect on the last moments of Jesus' life and ministry. It is a time to remember his love for us. It is a time that prepares us for the joy that comes with Easter.

Board Of Deacons

Your Broadmoor Deacons at work

In a beehive there is a group of bees called worker bees. Their role is to keep the hive functioning. Most often they are working behind the scenes unnoticed by the rest of the hive. The Deacons are like these worker bees. As Deacons we are actively serving on, or assisting, one or more of the ministry teams. We help set up the sanctuary for services, prepare the elements for communion, and help with the setting up and cleaning up for coffee hours. Many other members of the congregation are working alongside us. There are many other

worker bees at Broadmoor. The Deacons are only a few of them.

The Deacons need your help

The Deacons are working on improving our shepherding of the congregation. We want to contact each member or friend of the congregation that wishes to be contacted at least every six to eight weeks by telephone or email. Not too many of us use Texting or know how to do it. So right now this is not an option. We also send birthday cards and other cards as needed. If you are not receiving calls or cards and want to, please inform any Deacon or the church office. We also want to remind you of the church's prayer request emails. If you want to be on the recipient list for these emails let the church office know. The Deacons follow this list and present the requested prayers to Our Lord God.

Building & Grounds

Thanks to the Peninsula Family Services organization, areas of the daycare center have been and are being renovated. Last year, the garden area was beautified. This year, the carpet was removed and new floors installed in the classroom area. The outside shed was broken down and made new and the torn awning has been replaced. What a blessing!

Thanks to Dennis Shreve for reinstalling part of our front sign that was blown down by the recent strong winds.

Inspiration

Earth Day

"The earth is the LORD's and all that is in it, the world, and those who live in it." Psalms 24:1

Just for Today

Oh God, give me grace for this day. Not for a lifetime, nor for next week. Nor for tomorrow, just for this day. Direct my thoughts and bless them, direct my work, and bless it. Direct the things I say and give them blessings, too. Direct and bless everything that I think and speak and

do. So that for this day, just for one day, I have the gift of grace that comes from your presence...
