“Walking together, experiencing and sharing God’s love.”

July 2022

From the Pastor

This has been a difficult week for many of us, especially women, as the Supreme Court overturned Roe v Wade, which reverses nearly 50 years of legal precedent, and takes away a woman’s right to make decisions for her own body and health care.

For over 30 years, the PCUSA has been very clear about a woman’s right to make her own reproductive health choices, and vows to continue to fight for the rights of all women.

The Stated Clerk of the PCUSA Rev. Dr. J Herbert Nelson, II states, “We still have a lot to say about this issue from the impact on people of color, health and safety, as well as religious freedom.”

I have had many conversations with friends this past week. There is great fear and anxiety in our midst that the most recent ruling by the Supreme Court is just the beginning of denying people their rights.

In 2015, two of my gay friends called me and said they were coming to California so I could perform their wedding vows. This week - end they told me they were considering moving out of our country because they don’t like living in a

country where your rights will be at the mercy of politicians every few years. They no longer see a path that keeps that from happening.

We are people of HOPE. Our faith gives us hope that life can and will change when we put our hearts, hands, feet and voice to work. We don’t give up! We stand in solidarity with our siblings when they are struggling or being discriminated against.

May God bless our congregation as we go forward in our life together seeking to live out our call of justice and peace.

Let us be in prayer for our country, our leaders, and especially for those whose lives will be deeply affected by these decisions.

Building & Grounds

The ministry team met on June 12, 2022. Eric John reviewed B&G expectation which are:

- Minutes of the meetings
- Monthly report for the Broadcaster and Session
- Rotate persons taking minutes and reports

We continue to have issues with the microphones in the sanctuary. The lectern microphone was found bent and giving out lots of feedback. On June 5, the sewer line backed up and flooded the first floor restrooms and pastor’s office. On Jun 6, O’Grady Plumbing cleared the blockage that consisted of paper

towels and other products, both of which should not be flushed. ServePro cleaned and deodorized the carpet in the pastor’s office on June 14. The glass to replace the plexiglass in the sanctuary has been ordered.

Mission Ministry

With sadness, we report that the North Peninsula Food Pantry and Dining Center of Daly City has closed. The executive director, Denise Kelly, had been working hard to find another organization to take over the Food Pantry, but so far has not been able to. We wish Denise a happy retirement.

Presbyterian Women

Prayer

Healing God, in Bathsheba we see all the women who have been used by others to increase someone else's power: women bought and sold or used as accessories, women whose bodies have been used in advertising, women seen only in terms of how they further a man's prestige and not for the persons they are. We find ourselves here too: whether we are becoming invisible with age, and if our choices are slipping away from us. Help us see the growing character of Bathsheba all around us in women who remain themselves, through their challenges: women who fight for the good of their children, women who work hard to keep their families going, women who manage to find their own strength in the midst of the things that are being done to them.

God of healing, help us hear each other's stories and gain strength from what we hear. Help us see the hope and humanity in all women, in all people, rather than the carefully manipulated

images someone else presents to us. Help us understand that real power lies in knowing that we are your children, and that nothing can separate us from you. Amen.
