“Walking together, experiencing and sharing God’s love.”

SEPTEMBER 2021

From the Pastor

Dear Broadmoor Community,

We have finished our series on Divine Rest. I hope you all found time to rest, relax and be restored this summer. From God’s sabbath rest at the beginning of creation, to Jesus’ sleep, we examined how we can participate in divine restoration. Rest is a spiritual practice. Resting also resists the never ending capitalist call to do more. Rest draws us to the heart of God and rest prepares us for the road that lies ahead. So, I hope you have found time to rest this summer, and I hope you continue to rest as we move into the year that lies ahead.

Starting this month we will begin meeting together for our Fellowship Nights on the first Tuesdays of the month and meditation group on Wednesday mornings. We hope you can join us for the various community building activities.

We also hope to bring back hybrid worship once we hire and train someone to work as our Audio Visual Coordinator. If you know of anyone please inform them of this opportunity.

And, on a more personal note. As you may have heard, my wife Ashley and I are expecting our

first child. The baby is due in December and we are excited to begin this new adventure.

Blessings,

Pastor Andrew

Inspiration

Thought for the day

Holding God’s love in my heart brings peace to my day.

Romans 8:28

We know that all things work together for good for those who love God, who are called according to his purpose.

Matt. 11:28-30

“Come to me, all you that are bodily and mentally weighted down with grief and physical ailments. Those of you burdened by traditions and spiritual anxiety, come to me and you will be refreshed. Submit and learn from me, for I am gentle and God reliant at the center of my existence and you will find blessed tranquillity at the center of your being. For my request is benevolent, kind and good, and my weight is liberation.”

— as translated by Pastor Andrew P. Quick

The Challenge

Reverse the order of the groups of pens by moving just ONE pen. Move the Yellow pen next to the Green pen
